

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

The Voice

Penshurst Anglican Church

We welcome you to our celebrations this morning! If you are a visitor here today, we pray that the Triune God of grace will richly meet you where you are, in the fellowship of His people here at PAC. We also invite you to make yourself known to us through the visitor forms found in the pew holders.

Welcome to Kian Holik

Staffworker with CREDO

Credo is an inter-denominational and Bible-based Christian group at the University of Technology Sydney.

We gather together people from all sorts of courses and backgrounds who love meeting together to study the Bible and learn more about Jesus. There are heaps of things we do at Credo. We regularly hold Public Meetings where we hear talks from the Bible. For those who would like to read and discuss the Bible with others, we offer a range of Small Groups. We also go away together to have fun and continue learning about Jesus.

We look forward to hearing about the work of **Credo!**

Louise's landlord is looking for a new tenant. Louise is moving and wonders if there are any church friends looking for a room? it is a lovely Chinese family, the room is in good size and rent is very very reasonable, the place is always clean, suitable for a Chinese female (she is a single mum... so understandably she would prefer female renter),

Pray for Students

For over 30 years, people have been gathering at UTS to study the Bible and tell others about the magnificent truth of Jesus Christ. The best way to learn more about Jesus is to read the Bible.

This growing community of students and academics calls itself Credo. Credo comes from the Latin word meaning “I believe” because we affirm the truth and grace of Jesus Christ as explained in the historic accounts of the Bible. Credo is affiliated with the Australian Fellowship of Evangelical Students and the UTS Union. Credo believes that the best way to learn more about Jesus is to read the Bible.

Our mission in Credo is to become such communities of God's people within UTS that everyone is confronted with the magnificent truth of Jesus Christ.

Our vision is that, as the Holy Spirit enables us in our life and mission together, each of us intentionally seeks to gather the lost to Christ, to grow in maturity in Christ, and to give ourselves in service of Christ, to the glory of God the Father.

We welcome people from every faculty, background, culture and nation, to join us in studying the Bible, and discovering the magnificence of God and finding true life as we proclaim Christ as King and Saviour.
