

## Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

## Pray for Kian Holik at UTS

Dear Friends at Penshurst,

In the past couple of months the Lord has been teaching our family to fully depend on him for our needs. I remember the beautiful words of Jesus for us not to worry about what we eat, drink or wear but to seek His kingdom and his righteousness, and all these things will be added unto us (Matthew 6:25,33). That's what we have been doing and He is faithful to his promises!

We praise God that last month, after waiting for about a year, He has answered our prayer for our residency need. Now he wanted us to trust fully on him for our financial need in the coming year. There is a huge increase in my financial support level from this month on, something that goes beyond my limited comprehension. To be honest, I am not even sure if I can stay working for the gospel full time in the coming year with the current support level. But our God is greater than that! I believe that if it is his will for me to stay in UTS to share the gospel and train up international students in UTS, he will surely supply what is needed.

In this monthly email, I would like to ask you to join me in praying just for this item. Please pray that God would send his army of supporters to sustain this ministry in UTS, and through this, his salvation is proclaimed! Please reply this email personally to me if you want to know more details about this.

Thanks again for your church's support, and please let me know what I can pray for you!
