

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

Pray for Elizabeth McDougall at PGHS

Well, what has been happening this last month?

Year 7s have been working their way through Mark's Gospel and the Yr 8s through Luke's Gospel. Each lesson raises evidence of Jesus' true identity- that he is not just truly man but also truly God.

Please pray:

* for all the girls. The gospels are wonderful places to meet Jesus. I have tried to help the girls see how big Jesus is and how similar to us, but so wonderfully divine he is.... something like an author entering his own book. That is, the author is not just another character, he is much, much more, with much greater authority and power and capacity to put things right.

* for the lessons over the next couple of weeks focussing on Peter's confession that Jesus is the Christ. Please pray that I would be clear as I present the claims of Christ.

* for my schedule (family, church and school) over the next few weeks, is a very full one. I would covet your prayers.

Thank God:

- for the great questions that get asked in each lesson, and for the opportunity to think about really big issues.
- for last week’s seminars for Yrs 9 and 10. Thank God for answered prayer, for a clear message about forgiveness and life in Jesus and for the girls- who listened well. Ministry workers from 5 local congregations worked together to plan and present these seminars. It was great to be a part of this team.

Thank you so much for sharing in this ministry of being a voice for Jesus in our local high school. Thankyou especially for standing with me as I see and teach the girls fortnight by fortnight.

In Jesus,
Elizabeth
