

Rector's Report

In 2025 our theme was IN HIS STRENGTH. Not by might or power, but by the Spirit of God. Prayer undergirds everything, because it is God brings about spiritual growth.

Growth

In 2025 15 people started following Jesus, 77 people attended small groups, 12 people were baptized, 9 attended youth group and 17 people took part in Abundant Life. Praise God.

Staff

Michael Ma continues to provide valuable leadership to our Mandarin congregation. You can read his report online. Ronny Leung continued theological study at SMBC. He also preached and led services. The Parish Council committed funds to children's ministry which led to the employment of Ali Collins.

Small groups

Small groups have remained stable and a place to grow and share. Earlier this year I discussed with leaders some changes to help groups grapple with applying God's word.

Youth and children's ministries

Sunday School saw numerous people teacher and assist. We used the CEP material and saw children learning more about God's plan for our world. A foundation is laid for the youth group and has grown in the past year.

Spiritual transformation

I met with several people individually and a group of 5 young men to encourage them all to grow in their spiritual walk. Michael and I have discussed disciple making and see that as a priority for 2026

As I mentioned before, prayer is of utmost importance. So it is encouraging to have 5 prayer groups where we lift up the needs of our people and area.

We want many people to experience the joy of following Christ. That's why we invite to our services. That's why we have our various ministries. Please pray that God would grow our delight in Him.
