Directions: Print page 2 onto cardstock, and the opposite page, print page 3.

Page 3 is the inside once it is folded into thirds. Students color both pages and add star stickers to page 2. You can also glue sand (or brown sugar) to the sand on page 2 for more texture.

Use the stands to allow Abraham & Sarah to stand on their own. Or, cut out Abraham and Sarah and glue each to a craft stick.

Students can insert Sarah 'in' the tent and move Abraham around from the men to Sarah. Abraham can also be used on the front.
