Emerge Program: ministry to migrants

30% of the Australian population were born overseas. It has been exciting to see many of these people discover the joy of following Jesus. This includes many Iranians who now meet at Canterbury Anglican Church.

EMERGE was established in 2020 to support migrant congregational members engage in employment opportunities.

EMERGE achieves this by linking migrant congregational members to:

- established partner Christian employers committed to providing short or long-term work opportunities, or to
- established employment and settlement resources who will assist the migrant congregational member gain employment.
